SUBJECT: ADDENDUM TO THE JANUARY 21, 2014 MAG EXECUTIVE COMMITTEE AGENDA

An addendum to the January 21, 2014 MAG Executive Committee agenda has been prepared to provide an agenda item for Enhancing Business and Political Relationships through the NASCAR Spring Race Initiative. Please contact the MAG office if you have questions about the addendum to the agenda.

12. Enhancing Business and Political Relationships through the NASCAR Spring Race Initiative

On February 28 through March 2, 2014, the Phoenix International Raceway will be hosting the Toyota 120, NASCAR Toyota Mexico Series Race. In an effort to build partnerships and relationships with Mexico, as well as promote international trade, MAG would like to host a suite for Arizona and Mexico elected officials at the NASCAR event for an amount not to exceed \$5,000. This will provide elected officials an opportunity to network, and build business-to-business relationships.

12. Approval to amend the FY 2014 MAG Unified Planning Work Program and Annual Budget to include an Arizona-Mexico networking event not to exceed \$5,000.
